info@metroarcheo.com

MetroArcheo brings together researchers and operators in the enhancement, characterization and preservation of archaeological and cultural heritage with the main objective of discussing production, interpretation and reliability of measurements and data. The conference is conceived to foster exchanges of ideas and information, create collaborative networks and update innovations on "measurements" suitable for cultural heritage for archaeologists, conservators and scientists.

The 11th edition of MetroArcheo 2025 will be held at the **University of Bergamo, Italy**, from **15 to 17 October 2025**.

PAPER SUBMISSION

The Program Committee is inviting extended abstracts to the MetroArcheo 2025.

Interested researchers, academics, practitioners and industry partners are invited to submit contributions for the Conference. Papers that involve joint authorship with students, industry and community partners are encouraged. Early career researchers and research students are also encouraged to contribute papers.
