

2024 IEEE INTERNATIONAL CONFERENCE ON

METROLOGY FOR ARCHAEOLOGY AND CULTURAL HERITAGE

VALLETTA, MALTA / OCTOBER 7 - 9, 2024

CALL FOR PAPERS

MetroArcheo brings together researchers and operators in the enhancement, characterization and preservation of archaeological and cultural heritage with the main objective of discussing production, interpretation and reliability of measurements and data.

The conference is conceived to foster exchanges of ideas and information, create collaborative networks and update innovations on "measurements" suitable for cultural heritage for archaeologists, conservators and scientists.

You are invited to submit papers for the 2024 IEEE International Conference on Metrology for Archaeology and Cultural Heritage to be held at the University of Malta, Valletta Campus - Valletta.

ORGANIZERS

GENERAL CHAIRS

Sebastiano D'AMICO, *University of Malta*
Pasquale DAPONTE, *University of Sannio*

IMPORTANT DATES

March 15, 2024 - Special Session Proposal
July 5, 2024 - Full Paper/Abstract Submission
July 31, 2024 - Acceptance Notification
September 20, 2024 - Final Paper Submission

CONFERENCE VENUE

University of Malta
Valletta Campus

PAPER SUBMISSION

The Program Committee is inviting contributions to the IEEE MetroArcheo 2024 in form of **Short Abstracts** or **Full Papers**.

Interested researchers, academics, practitioners and industry partners are invited to submit contributions for the Conference. All papers must be written in English according to the guidelines provided on the MetroArcheo 2024 website:

<http://www.metroarcheo.com>

CONFERENCE TOPICS

- Methodologies and measurements for diagnostics and conservation
- Geomatics for Cultural Heritage research and management
- Non-destructive techniques for archaeological diagnostics
- 3D recording and modelling for Cultural Heritage
- Metrology in landscape archaeology
- Metrological approaches to the study of written Heritage
- Metrological approaches in architecture and visual arts
- Bioarchaeology and palaeodiet measurements
- Computer science and 3D survey
- Archaeometry
- Metrological analyses of raw materials
- Metadata and digital management in archaeology

SPECIAL SESSIONS

Special sessions have the main aim of creating a mini-workshop on a specific topic, where researchers working on the same argument can make knowledge, familiarize, exchange ideas, create cooperation. Special Sessions are being developed by designated chairs.

Special sessions will be organized on specific topics, see online at

<http://www.metroarcheo.com/special-sessions>
